"Making Six Sigma Last is the most practical and helpful resource that I have seen on this subject.

George's charisma and charm spill over into this interesting and entertaining book. Using one of George's many analogies, 'this is an upper-deck shot,' and combined with his first book should become the benchmark for Six Sigma learning."-Dan Porter, Chairman and CEO, Wells Fargo Financial "An energetic, step-by-step exploration filled with interesting and entertaining examples of real-world business experiences. Making Six Sigma Last is a powerful action plan for managers!"-Guenter Bulk, Managing Director, GE Capital IT Solutions

Nettstudier gjør det mulig å studere hvor som helst når som helst. Noen nettskoler har rullerende opptak, mens andre har faste oppstartstidspunkt.
