The Pope and the Professor tells the captivating story of the German Catholic theologian and historian Ignaz von Dollinger (1799-1890), who fiercely opposed the teaching of Papal Infallibility at the time of the First Vatican Council (1869-70), convened by Pope Pius IX (r. 1846-1878), among the most controversial popes in the history of the papacy. Dollinger's thought, his opposition to the Council, his high-profile excommunication in 1871, and the international sensation that this action caused offer a fascinating window into the intellectual and religious history of the nineteenth century. Thomas Albert Howard examines Dollinger's post-conciliar activities, including pioneering work in ecumenism and inspiring the "Old Catholic" movement in Central Europe. Set against the backdrop of Italian and German national unification, and the rise of anticlericalism and ultramontanism after the French Revolution, The Pope and the Professor is at once an endeavor of historical and theologic
